What's Happening

Flathead Reservation & Lake County Coalition For Kids

It's Fundraising Time

Have you seen our little blue espresso trailer? If not, look for it on August 7 during the Cruisin' by the Bay Car Show and Arts and Cultural Event. We will be located on 4th Avenue between Glacier Bank and the Flooring Store.

We will also be at the Smokin' on the Water Event at the KwaTukNak on August 21, 2010.

Stop by for your latte, frappe, smoothie, or bubble tea (yes, we have bubble teas)...the new craze for refreshing healthy drinks. All proceeds support the Leadership Development Through Art Program.

Thank You to all that came out and supported us at the Cherry Festival and 3 on 3 Hoop Fest.

We had a lot of fun with our Leadership Development Through Art Kids.

School will soon be back in session

It's all about youth of all ages here at the Coalition for Kids. Check out the programs on our website and get plugged in.

High School ages 15 and up can register now for the next Leadership Development Through Art class that begins Sept 13. Call 883-7316 for more information.

Save the Date!
